Global Campus Navigation, Floor Directory, Perks & Employee FAQ Guide

Edition: 2026 Workplace Handbook • Maintained by: Corporate Real Estate & Employee Experience • Coverage: Flagship Innovation Hubs

Section 1. Flagship Innovation Hub Floor-by-Floor Navigation Guide

To help employees and visiting colleagues navigate our primary multi-building engineering campuses without needing graphic floor maps, the following text-based architectural directory details the exact building wings, floor assignments, badge access zones, and specialty rooms at the **Blue Horizon Innovation Campus (Buildings A, B, and C)**.

1.1 Building A — Watson & Cognitive Engineering Tower (Floors G through 8)

- **Underground Levels `B1` & `B2` (Parking, EV Charging & Bike Vault):** Houses 420 employee parking spaces, **36 Level-2 ChargePoint EV Charging Stations** in Zone `B1-Blue` (free for the first **4 hours**; a **$5.00/hour** idle fee applies after 4 hours to ensure charger turnover), and the badge-secured **Bicycle Commuter Vault (`Room B1-040`)** equipped with repair stands, air pumps, and 180 heated lockers with shower facilities.
- **Ground Floor (`Floor G` — Main Lobby, Security Reception & Mailroom):** Main visitor entrance at the North Glass Atrium. Houses the **24/7 Campus Security & Badge Issuance Desk (`Room G-101`)**, the **Executive Client Briefing Center (`Rooms G-110 to G-125`)**, and the **Smart Locker Package & Mailroom (`Room G-140`)**.
- **Floor 2 (`BlueByte Café`, Barista Bar & All-Hands Auditorium):** Houses the 450-seat **Thomas J. Watson Auditorium (`Room A2-100`)**, the **ThinkBar Espresso & Smoothie Lounge** (open **07:30 to 16:30** Monday–Friday), and the **BlueByte Main Cafeteria** (serving subsidized breakfast from **07:30 to 10:00** and hot lunch stations from **11:30 to 14:30**).
- **Floor 3 (`IT Tech Stop Walk-Up Bar` & Agile Collaboration Neighborhoods):** Home to the **IT Tech Stop Walk-Up Bar (`Room A3-205`, open 08:30 to 17:30)** where engineers can pick up loaner laptops, replacement YubiKeys, USB-C hubs, and cables without an appointment. The East Wing houses hot-desking neighborhoods `A3-East-01` through `A3-East-80`.
- **Floor 4 (IBM Db2 Core Engine, Vector Database & Data Platform Engineering):** Restricted badge zone (`Badge Clearance: ENG-DATA`). Houses the **Db2 Kernel & Vector Search Squads (North Wing)**, soundproof **Phone Booths `PB-401` to `PB-416`**, and the **Ada Lovelace Boardroom (`Room A4-400`, capacity 24, equipped with dual Cisco Webex Panorama boards)**.

- **Floor 5 (watsonx AI, RAG Architecture & Applied Machine Learning Labs):** Houses the **DocuSense & Enterprise RAG Engineering Squads (South Wing)**, the **GPU Benchmarking War Room (`Room A5-512`)**, and a designated **Library Quiet Zone (West Wing)** where phone calls and unmuted meetings are strictly prohibited.
- **Floors 6 & 7 (Cybersecurity, IAM, WebSEAL & Cloud Infrastructure):** Floor 6 houses the Identity & Access Management (IAM) and Security Access Manager engineering squads; Floor 7 houses the **24/7 Security Operations Center (SOC) & Network Operations Center (NOC)** (`Badge Clearance: SEC-RESTRICTED`; no personal photography or unescorted visitors permitted).
- **Floor 8 (Wellness Center, Nap Pods, Nursing Suites & Rooftop Terrace):** Houses the **On-Site Fitness & Yoga Studio (`Room A8-801`, open 06:00 to 21:00)**, four private **Mother's Lactation & Nursing Suites (`Rooms A8-810 to A8-813`, equipped with hospital-grade pumps and refrigerators; bookable via Tririga)**, six sound-insulated **Recharge & Nap Pods (`Room A8-820`)**, the **Multi-Faith Prayer & Meditation Room (`Room A8-825`)**, and the outdoor landscaped **SkyGarden Terrace**.

1.2 Building B (Client Co-Creation Studios) & Building C (Hardware Lab)

Building B is connected to Building A via the **Floor 3 Enclosed Skybridge** and houses Client Garage Co-Creation Studios (Floors 1–3) and HR/Finance/Legal administrative offices (Floor 4). Building C is located 150 meters east across the central courtyard and houses the Mainframe, Quantum Cryogenics, and Hardware Appliance Testing Labs (high-visibility closed-toe footwear required on Floor 1).

Section 2. Campus Access Rules, Visitor Registration, and Shuttle Schedule

> **Campus Operations Quick Facts:** Standard badge access operates from **06:00 to 22:00** Monday–Friday (24/7 access requires First-Line Manager approval via `#facilities-help`). All external visitors must be pre-registered in the **VMS Visitor Portal (`w3.ibm.internal/visitors`)** at least **24 hours in advance**, must present government photo ID at `Room G-101`, and may be escorted at a maximum ratio of **4 visitors per 1 employee host**. Campus Wi-Fi uses SSID **`IBM-Corp-ZeroTrust`** for managed devices and **`IBM-Guest-Portal`** (valid for 24 hours with host sponsor email) for visitors.

2.1 Forgotten Badges and Tailgating Prohibition

For physical security compliance (ISO 27001 / SOC 2), **tailgating** (holding a badge-controlled door or turnstile open for another person without them tapping their own badge) is strictly prohibited. Every employee must tap their physical badge at every turnstile and restricted floor reader. If you forget your badge at home, report to the **Ground Floor Security Desk (`Room G-101`)** with a government-issued photo ID to receive a **Temporary 1-Day Loaner Badge**, which must be returned by `19:00` the same day. Accumulating more than **3 temporary badge issuances in a 30-day period** triggers an automated compliance notification to your First-Line Manager.

2.2 Electric Campus Shuttle Bus Schedule

The free **BlueLine Electric Campus Shuttle** operates Monday through Friday between the **Central Metro Rail Station (Exit B — North Plaza)** and the **Building A Main Canopy**:

- **Morning Peak Hours (`07:00 to 10:30`):** Shuttles depart every **10 minutes** on the `:00`, `:10`, `:20`, `:30`, `:40`, and `:50` marks.
- **Midday Off-Peak Hours (`10:30 to 16:00`):** Shuttles depart every **30 minutes** on the `:00` and `:30` marks.
- **Evening Peak Hours (`16:00 to 20:00`):** Shuttles depart every **10 minutes**. Live GPS shuttle tracking is available in the `Workplace@IBM` mobile app.

Section 3. Employee Perks, Tuition Assistance, and Recognition Programs

- **Tuition & Graduate Degree Reimbursement (`$10,000/Year`):** Full-time employees with at least 1 year of tenure may apply for up to **$10,000 USD per calendar year** in tuition reimbursement for accredited Master's degrees or university certificates in Computer Science, Data Engineering, Artificial Intelligence, Cybersecurity, or Business Administration. Reimbursement requires pre-approval in `w3.ibm.internal/tuition` prior to semester registration and achieving a final grade of **B (3.0 GPA) or higher** in each course.
- **Technical Certification & Conference Budget (`$2,500/Year`):** Every technical employee has an annual learning allocation of up to **$2,500 USD per year** covering exam fees for cloud, database (including IBM Certified Database Administrator — Db2), Kubernetes, or security certifications, plus approved technical conference registrations.
- **Employee Stock Purchase Plan (ESPP — 15% Discount):** Employees may contribute between **1% and 10%** of their gross base salary through payroll deductions to purchase company common stock at a **15% discount** off the fair market value at the end of each 6-month offering period (June 30 and December 31).
- **Charitable Donation Matching (`1:1 up to $5,000/Year`):** The company matches employee donations to registered 501(c)(3) or equivalent global non-profit charities on a **1-to-1 dollar basis up to $5,000 USD per employee per calendar year** via the `Giving@IBM` portal.
- **BluePoints Peer Recognition Program:** Employees receive **500 BluePoints every quarter** to award to colleagues who demonstrate exceptional collaboration. Accumulated BluePoints can be redeemed at a conversion rate of **100 BluePoints = $10 USD** for gift cards, electronics, or airline miles.
- **Employee Referral Bonus (`$3,000 to $5,000`):** Referring an external candidate who is hired and completes **90 calendar days** of active employment earns the referring employee a cash bonus of **$3,000 USD** for Band 6–7 roles and **$5,000 USD** for Senior/Staff Band 8–10 AI and Database Engineering roles.

Section 4. Frequently Asked Questions (Employee Quick-Answer FAQ)

1. **Q: How do I reserve an agile hot-desk or meeting room on campus?**
   A: Open the **Tririga Workplace Reservation Portal (`w3.ibm.internal/tririga`)** or the `Workplace@IBM` mobile app. You can book a hot-desk up to **14 calendar days in advance**. If you do not check in via the desk QR code or connect to campus Wi-Fi by **10:30 local time**, the reservation is automatically released for other employees.
2. **Q: Can I bring my dog or pet to the office?**
   A: Service animals trained to assist individuals with disabilities are welcome in all campus buildings after registering with Workplace Accommodations (`accommodations@ibm.internal`). Non-service pets are permitted only in designated **Ground Floor Outdoor Patio Areas** and on designated **Pet-Friendly Fridays (the first Friday of each month)** on Floor 2 of Building B, provided vaccination records are uploaded 48 hours prior.
3. **Q: What is the daily subsidy at the BlueByte Cafeteria?**
   A: Employees tapping their corporate badge at the Floor 2 BlueByte Cafeteria receive an automatic **50% company subsidy up to $12.00 per day** on freshly prepared breakfast and lunch entrées, plus **100% complimentary** drip coffee, espresso, tea, sparkling water, and fresh fruit at all floor micro-kitchens.
4. **Q: How do I ship a hardware prototype or legal document via FedEx/DHL from campus?**
   A: Bring the package and your department Cost Center code to the **Ground Floor Mailroom (`Room G-140`)** before **15:30 local time** for same-day domestic and international express dispatch. Personal packages should not be shipped to the campus mailroom.
